

APPENDIX E-397 P

DECENTRALIZED ISSUE OF NSN, FROZEN

1. PURPOSE

This appendix is applicable to chapter 9 and describes the purpose and use of a Manager Information Notification Printout, appendix F-173, Decentralized Issue of NSN, Frozen. This printout is furnished the applicable IM, DSO, for information and reference purposes when a decentralized report of issue (DIC D7_) is received from an SSP for an NSN which is restricted from issue (frozen).

2. APPENDIX USED IN THIS PROCESS

Appendix F-173, Decentralized Issue of NSN, Frozen.

3. RESPONSIBLE ORGANIZATIONAL ELEMENT

The applicable IM, DSO, is responsible for reviewing each Manager Information Notification Printout and contacting appropriate SSP when results of such review so dictate.

4. PROCEDURES/INSTRUCTIONS

a. Review each printout to determine whether reported decentralized issue, as made before or after issue restriction (freeze), was imposed. In this connection, IMs will have available for research, only such intelligence as is maintained locally within DSO (i.e., marginal notes on Supply Control Study Sheet and division freeze log).

b. If issue was made after freeze, contact the issuing SSP by telephone, advise of the unauthorized issue, and ensure nonrecurrence.

c. If issue was made before freeze, disregard printout, no further action required.

5. FLOW CHART

Flow chart not required.
